### **Behavioral Health Jobs and Career Pathways Virtual Event on Nov 9**

Beaverton, Ore. – A free virtual event on Jobs & Career Pathways in Behavioral Health will take place on Wednesday, November 9 from 4:00pm-5:30pm, hosted by Vision Action Network (VAN) with support from Worksystems, Inc.

Representatives from three of Washington County's largest employers focused on mental health, wellness, and addiction services will share information about entry level part-time and full-time job opportunities and will offer advice and guidance on career pathways in behavioral health for those considering a professional path.

Participants will be entered into a prize drawing and will have an opportunity to ask questions and apply immediately for open positions. Registration is required at <https://bit.ly/BeHealthJobs>.

This event is part of the Behavioral Health Workforce Initiative in Washington County.

Learn more about this event and upcoming convenings on VAN's website at [www.visionactionnetwork.org](http://www.visionactionnetwork.org).
